

### Assignment 5.3.1 Evaluate a Website

Pick a topic of interest to you and search the web for information about it. Pick one of the results that you find (that is, one of the websites) and use the CRAAP test to evaluate the site. You can download the information about CRAAP [here](#). Make sure to include the address of the website in your assignment, and write one or two sentences about each aspect of the evaluation.

Topic:

Website:

Currency:

Relevance:

Authority:
